The Technology Transfer Program

The Technology Transfer Program bridges the gap between training and information needs and tight budgets for Kentucky transportation agencies. It can provide workshops and training events, how-to manuals, expert advice, legislative and regulatory news, on-site technical assistance and access to the only transportation library in the Commonwealth.

Partnerships with the Federal Highway Administration, the Kentucky Transportation Cabinet, and a network of 58 Local Technical Assistance Programs located throughout the nation enable the Technology Transfer Program to quickly deliver cost-effective, practical solutions to real transportation problems.

Home Screen

From the home screen, you have the option to enter the Search, Calendar, Shopping Cart or Sign In. Choose the Sign In option first. Once you are signed in, you can browse courses through the Search or Calendar options.

***An account is required to register for courses online. In addition, each attendee must have their own account using a unique email address.**

You must be logged in before registering for classes. When you are logged into the database, the home screen offers additional options including, updating your contact details, and viewing your schedule, history, and credits.

Update Details: This will open a page for you to update your email, phone number, primary and billing addresses.

Current Schedule: This will show the upcoming classes you are currently registered to attend.

History: The History page will show the classes you have completed.

Credits: The credits you have received for taking classes will show up on this screen.

Search Screen

You can search for a course by the keyword or course date. If you select the Search by Course or Program, additional search features are available. The Course feature lists courses offered by T2. For example, Basic Plan Reading or Van Driver Training. The Program feature lists the programs offered by T2. For example, Roads Scholar or Pesticide Training and Testing.

The screenshot shows the search interface for the Technology Transfer Program. On the left is a navigation menu with links for Home, Search, Calendar, Shopping Cart, and Sign in. The main search area includes a search bar with a message: "To return to the Technology Transfer Program, click www.kyt2.com." Below this are fields for "Keyword Search", "Course Date" (with "From" and "To" date pickers), "Course" (a dropdown menu), and "Program" (a dropdown menu). At the bottom of the search area are three buttons: "Search", "Clear", and "Close Search by Course or Program". The footer contains the University of Kentucky logo and copyright information: "Copyright © 2016 University of Kentucky Technology Transfer Program, 176 Raymond Building, Lexington, KY 40506".

Calendar Screen

This offers another way to search for courses by showing them in a calendar view.

The screenshot shows the calendar interface for the Technology Transfer Program. On the left is the same navigation menu as in the search screen. The main calendar area has a header "Calendar" and a message: "An account is required to register for courses online. PLEASE NOTE: Each attendee must have their own account." Below this is a search bar and buttons for "Search", "Clear", and "Search by Course or Program". The calendar itself is for August 2019, with days of the week as columns and dates as rows. Courses are listed in blue boxes on specific dates:

Online Registration Process

Registration

To register for a course, click the course name. This will open a pop-up window that shows the detailed course information. Select the appropriate fee from the dropdown. Click Add to Cart.

The screenshot shows a pop-up window for a course titled "Construction of Concrete 08/07/19". The window contains the following information:

Course Code	Start Date	End Date	Time
CONC080719	Wednesday, August 7 2019	Wednesday, August 7 2019	8:30 AM - 3:00 PM

Below the table is a "Fee" dropdown menu with the following options:

Fee	Amount
Local Government Registration Fee	95.00
Local Government Registration Fee	95.00
State/Industry Registration Fee	115.00

The "Local Government Registration Fee" option is selected. Below the fee dropdown is an "Overview" section with the text: "Kentucky Dam Village State Resort Park, Gilbertsville".

Next is a "Location" section with the text: "Kentucky Dam Village State Resort Park, Gilbertsville", "111 Administration Drive", "Gilbertsville, KY 42044".

Below that is an "Instructors" section with the text: "Mr. Mark Mudd".

Finally, there is a "Credits" section with the text: "Full", "6.00".

At the bottom of the window are two buttons: "Add To Cart" and "Close".

This will add the course to your shopping cart. You should see the Shopping Cart information at the top of the page. You may now continue searching for courses and adding them to your cart, or you may proceed to checkout. To proceed to checkout, click the Shopping Cart tab on the left or the Shopping Cart message at the top of the page.

The screenshot shows the University of Kentucky Technology Transfer Program website. The University of Kentucky logo and "Kentucky Transportation Center" are on the left. The "Technology Transfer Program" logo is on the right. A navigation menu on the left includes "Home", "Search", "Calendar", "Shopping Cart", and "Sign in". The "Shopping Cart" item is highlighted with a red box and shows "Shopping Cart (1 Item)". The main content area has a "Calendar" section with the text: "An account is required to register for courses online." and "PLEASE NOTE: Each attendee must have their own account." Below this is a "Keyword Search" section with a search box and buttons for "Search", "Clear", and "Search by Course or Program".

To complete checkout, you must be signed into the system. If you are not signed in, then a pop-up window will open for you to either log in or create a new account. **Again, each attendee must have their own account with their own unique email address.**

When you proceed to checkout, you will be sent to the Summary Page. Please review all of your information for accuracy. There are also Terms and Conditions at the bottom of the page which covers our cancellation policy, attendance and payment. To proceed, you must click Agree.

The final page is the Payment page. You can choose Bill Me, Purchase Order (purchase order number must be submitted) or Online Credit Card Payment.

Once you click Submit, your registration will be logged into the system. You will receive a confirmation letter approximately two weeks prior to your event which includes additional information about the class.
