

Title	First Name	Last Name	Agency	Email	Bio
LPA	Deborah	Arnold	Kentucky Employee Assistance Program	Deborahm.arnold@ky.gov	Deborah Arnold, LPA is a counselor with the Kentucky Employee Assistance Program (KEAP). Deborah has over 20 years of experience working with diverse agencies specializing in stress management and recovery from trauma.
Mr.	Logan	Baker	KYTC Traffic Operations	logan.baker@ky.gov	Graduated from UK in 2007, worked for KYTC since 2008 in D7 traffic and now the Division of Traffic Operations.
SHE	James	Ballinger	Kentucky Transportation Cabient - State Highway Engineer	James.Ballinger@ky.gov	<p>James Ballinger graduated from the University of Kentucky in 1987 with a Bachelor’s Degree in Civil Engineering. He was a Kentucky Transportation Cabinet Scholarship student and immediately started working on the Cabinet’s training program at the District 7 Office in Lexington, KY. During his career he served in various roles including, Construction Resident Engineer, Branch Manager for Construction, and Branch Manager for Pre-Construction. He retired in December 2014 as the Chief District Engineer from Highway District 7.</p> <p>After a short break, James began working at the Kentucky Transportation Center at UK, serving as a Research and Training Engineer. In September 2015, he started working for Vaughn & Melton Consulting Engineers and served as the Lexington, Kentucky Office Leader. He re-joined the Kentucky Transportation Cabinet in August 2020 when he was appointed as the State Highway Engineer. James and his wife Carrie live on their family farm where they enjoy raising Hereford Beef Cattle.</p>
Ms.	Robin	Baskette	KTC	robin.baskette@uky.edu	Robin Baskette is the Program Manager of Marketing, Media, and Technical Review at KTC. Her team maintains the Highway Knowledge Portal website, posts articles, and updates the content.
Dr.	Ben	Blandford	KTC	benjamin.blandford@uky.edu	Dr. Blandford is a Program Manager for Resilient Systems at the Kentucky Transportation Center. He has over 15 years of experience in transportation research, with a focus on resilience, safety, and environmental planning. Ben holds a PhD in Geography from the University of Kentucky, and he teaches a GIS course in civil engineering at UK.
Mr.	Bradley	Bottoms	KYTC District 4	bradley.bottoms@ky.gov	Brad grew up in Louisville and received his B.S. in Civil Engineering in 2005 from Bradley University in Illinois. After school, he spent 5 years with Mitek Industries working residential and commercial truss design. Brad then started with the Kentucky Transportation Cabinet District 5 in 2010 in the Design Section, transferring to District 4 Design in 2012, and becoming the Project Development Branch Manager in 2014. He was named as the Chief District Engineer for D4 in January 2022 where he has the privilege to lead an outstanding transportation team. Brad now lives near Campbellsville with his wife and son, Laura and Owen, and they spend many of their warm weather weekends playing baseball or on Green River Lake

Title	First Name	Last Name	Agency	Email	Bio
Mr.	Eric	Bowman	KYTC - Central Office Maintenance	Eric.Bowman@ky.gov	Eric has been with the Kentucky Transportation Cabinet since July of 2024 working in the Division of Maintenance in Frankfort as the statewide Roadway Weather Program Manager, or SNIC Coordinator as it has been called in the past. He is a licensed PE in the state of Kentucky and gradated in 2000 from the University of Kentucky with a degree in Electrical Engineering. Eric is relatively new to the road weather arena, but continues to research current and developing trends in road weather management with the goal of keeping Kentucky roads safe regardless of weather patterns.
Ms.	Rachel	Catchings	Kentucky Transportation Center	rachel.catchings@uky.edu	Rachel Catchings, M.S.C.E., P.E., is currently Program Manager of Special Projects and Initiatives with the University of Kentucky, Kentucky Transportation Center (KTC). Her combined construction and design project management skills provide a unique perspective to the research team.
Mrs.	Talya	Caudill	KYTC - Division of Construction	talya.caudill@ky.gov	Talya currently works in Central Office Division of Construction and currently serves as the construction liaison for Districts 7 & 9. She began her full-time career in 2014 where she worked in the Lexington Section Office. Talya left the state in 2017 to work in the industry before returning to KYTC in 2022. Upon returning, she worked in District 7 project development for just over a year before landing in her current role as construction liaison. Talya lives in Lawrenceburg with her husband and their rambunctious 2-year old, Eleanor.
Ms.	Cassondra	Cruikhsank	Kentucky Transportation Cabint	cassondra.cruikshank@ky.gov	Cassondra Cruikshank is a Biologist Specialist for the Kentucky Transportation Cabinet. She is part of the KYTC Pollinator Initiative to establish pollinator plots on roadsides.
Dr.	Gabe	Dadi	Kentucky Transportation Center	gabe.dadi@uky.edu	Gabe Dadi is the W.L. Raymond and R.E. Shaver Chair Associate Professor of Civil Engineering at the University of Kentucky and Occupational Safety and Health Program Manager at the Kentucky Transportation Center. He holds a Bachelor of Science in Civil Engineering, Masters of Business Administration, and Ph.D. in Civil Engineering degrees and is also a registered Professional Engineer in Kentucky.
Mrs.	Emily	Deason	KYTC - District 2	emily.deason@ky.gov	Emily Deason is a Transportation Engineer for KYTC. She was a recipient of the KYTC Civil Engineering Scholarship. Emily graduated from the University of Kentucky with a Bachelor’s and a Master’s Degree in Civil Engineering. She has spent the majority of her career in the Section Office and is currently the Project Manager over the Ohio River Crossing Project in Henderson County.
Mr.	Derrick	Dennison	KYTC - Division of Construction	derrick.dennison@ky.gov	Derrick is a licensed Professional Engineer with the state of Kentucky and has been a full-time employee with the Cabinet for 13+ years now. Derrick is a TE Specialist for the Division of Construction and serves as a liaison between Central Office and Districts 1 and 3. He also serves as Chairman over the Work Zone Safety Committee for KYTC and has been tasked with researching and implementing various safety methods/technologies to improve work zone safety across the Commonwealth.

Title	First Name	Last Name	Agency	Email	Bio
Mr.	Evan	Dick	Qk4 Engineering and Planning	edick@qk4.com	Evan Dick is a Bridge Maintenance Engineer with 18 years of experience specializing in bridge safety inspection and maintenance. Holding a Bachelor of Science in Civil Engineering from the University of Kentucky, Evan has developed an understanding of transportation infrastructure and its critical role in public safety.
Mrs.	Katherine	Edmunds	KYTC Central Office	katherine.edmunds@ky.gov	Katherine is a graduate of Western Kentucky University and has been with the Cabinet for 4 years doing asset management and bridge inspections. She lives in Glasgow with her husband, James, and their children, Eleanor and Evie. In her free time, she enjoys reading, painting, and going to the gym.
Ms.	Randi	Feltner	KYTC Division of Maintenance	randi.feltner@ky.gov	Randi Feltner is a graduate of the University of Kentucky with a degree in Civil Engineering. In her 20+ years with the Cabinet, she has worked in the District in various roles in Construction, Maintenance, and Engineering Support. She now works in Central Office for the Division of Maintenance as the Snow and Ice Program Manager.
Mr.	David	Fuson	District 11 Transportation Engineer Branch Manager	david.fuson@ky.gov	David is a 25 year KYTC employee. He has 3 children and 3 grand children, he has been married to his wife Shiela for 34 years, and Pastor at Providence Missionary Baptist Church for 22 years. He enjoys spending time with family and grandchildren, fishing, and hunting.
Mr.	Greg	Garner	KYTC	greg.garner@ky.gov	
Dr.	Bryan	Gibson	Kentucky Transportation Center	bryan.gibson@uky.edu	Bryan Gibson serves as the Program Manager of KTC’s Policy, Finance and Economics Group, and has been with the Center since 2011.
Dr.	Clark	Graves	Kentucky Transportation Center	clark.graves@uky.edu	Clark Graves holds a Bachelors, Master’s and Doctoral degrees in Civil Engineering from the University of Kentucky and is a Registered Professional Engineer and Registered Professional Geologist in Kentucky. Currently he is the Senior Associate Director for at the Kentucky Transportation Center and Adjunct Assistant Professor of Civil Engineering at the University of Kentucky, responsible for research in Pavement Materials and Geotech, Bridge Preservation, and Structures and Technology Exchange, in addition to managing the administrative functions of the Center. Clark has over 35 years’ experience in various areas of transportation research. He is active in the Transportation Research Board committees. He also serves on the AASHTO Technical Review Team for online version of the Pavement ME pavement design software.
Mr.	Ryan	Griffith	Kentucky Transportation Center	ryangriffith@uky.edu	Ryan retired from KYTC in 2019 after a 30-year career. He has worked at KTC since in the Construction Engineering and Project Management section.

Title	First Name	Last Name	Agency	Email	Bio
Mrs.	Deneatra	Henderson	KYTC District 2	deneatra.henderson@ky.gov	Deneatra Henderson is a 2004 graduate of Western Kentucky University with a degree in Civil Engineering. She began employment with the Kentucky Transportation Cabinet District 3 office in Bowling Green as an engineering scholarship student in June 1998. Henderson previously worked various roles in the Bowling Green Office, including the Highway Safety Improvement Program coordinator since 2005, giving her a strong interest in highway safety. While serving as the Planning Section Supervisor for District 3, in April 2018 Deneatra was appointed to the Chief District Engineer position for District 2 in Madisonville.
Mr.	Josh	Hornbeck	KYTC District 4	Josh.Hornbeck@ky.gov	Josh Hornbeck, PD&P Branch Manager at KYTC District 4, brings 27 years of experience in roadway construction and maintenance. He holds a bachelor’s degree in civil engineering from the University of Kentucky.
Mr.	Jason	Hyatt	KYTC - Division of Traffic Operations	jason.hyatt@ky.gov	Jason likes Traffic stuff. So do these other guys up here.
Mrs.	Valerie	Januski	KYTC Secretary's Office of Safety	valerie.januski@ky.gov	Valerie started her career with KYTC in 1996 as Safety Coordinator for District 6. She later became a Regional Safety Administrator and now serves as Administrative Branch Manager for Secretary's Office of Safety, Injury Prevention and Safety Operations Branch.
Mr	Jeff	Jasper	Kentucky Transportation Center	jeff.jasper@uky.edu	Jeff Jasper earned a Bachelor of Science in Civil Engineering from the University of Kentucky and a Master’s in Public Administration from Kentucky State University. He became a licensed Professional Engineer in 1997. During his 24-year career with the Kentucky Transportation Cabinet, he held various roles in the Division of Highway Design, retiring in 2013 as the Director of Highway Design. Jeff now serves as a Program Manager, Research Engineer, and Trainer for the University of Kentucky Transportation Center.
Mr.	Rob	Johnson	KYTC District 7 Lexington Section	rob.johnson@ky.gov	Graduated from University of Kentucky in 2008. Currently a Transportation Engineer Supervisor with the Lexington Section in District 7.
P.E.	Catherine	Keathley	Kentucky Transportation Center	catherine.keathley@uky.edu	Catherine Keathley is a Research Engineer with Special Projects and Initiatives at KTC. She has over 11 years of transportation experience. Her research focuses on digital project delivery, UAS usage, emerging technology, and training. Prior to joining KTC, she worked in construction and maintenance for KYTC.
Mr.	Benjamin	Kidd	Division of Construction	benjamin.kidd@ky.gov	Benjamin Kidd is a Transportation Engineering Specialist currently serving as construction liaison for D-02 and D-05. He began his career as a scholarship student in D-03 and went on to work in the Glasgow Section office. He spent 17 years in the section, the last 9 of which he served as supervisor. Ben lives in Glasgow with his wife, three kids, and a disposable cat.

Title	First Name	Last Name	Agency	Email	Bio
Dr.	Doug	Kreis	Kentucky Transportation Center	dougreis@uky.edu	For over 20 years at the Center, Doug Kreis has built an expansive portfolio of interdisciplinary transportation research. As Director of the Kentucky Transportation Center at the University of Kentucky, Dr. Kreis oversees KTC's operations as well as the research, education and technology transfer. He brings over 15 years of experience in the construction industry, where he operated and managed his own construction firm. Dr. Kreis has established research expertise in the areas of freight security, supply chain management, transportation finance, intelligent transportation systems, construction management, and business management. Dr. Kreis is a certified Project Management Professional. He has received accreditation from the American Society of Transportation and Logistics and maintains a membership with the Kentucky Society of Professional Engineers.
Mr.	Chris	Kuntz	HDR Engineering	chris.kuntz@hdrinc.com	Chris is a project manager in HDR's transportation mobility group, managing roadway, planning and highway safety projects. Prior to HDR, Chris worked for KYTC in District 1 for 26 years, with the last 10 as the Project Development Branch Manager until his retirement in 2023. Chris is a 1996 graduate of the University of Missouri at Rolla.
Mr.	Jon	Lam	Kentucky Transportation Cabinet Secretary's Office of Safety	jon.lam@ky.gov	Jon is enjoying his 15th year with the Transportation Cabinet, serving as District 3 Safety Coordinator, before moving to the Secretary's Office of Safety in early 2021. Currently the Manager of the Safety Training & Program Management Branch of the Secretary's Office of Safety, Jon is based at the Central Office and resides in Bowling Green.
Mr.	Tim	Layson	Division of Highway Design	Tim.Layson@ky.gov	Tim has worked in various positions in state government including as a Resident Engineer and Construction Liaison as well and has had roles in the Division of Highway design as design engineer, location engineer and his current position as Director.
Ms.	Ying	Li	Kentucky Transportation Center	ying.li@uky.edu	Ying Li is a research engineer with KTC's Construction Engineering Program, where she studies bridge cost estimating methods, highway system maintenance rating performance, and risk-based project development. Ying also works with UK's Superfund Research Center, evaluating the PFAS (Per- and Polyfluoroalkyl Substances) exposure risk for Kentucky Public Drinking Water Systems and modeling fate and transport of VOCs (Volatile Organic Compounds) inside sewer systems. She has taught courses in Construction Engineering, System Dynamics Modeling, and Environmental Engineering. Ying serves on committees with the Transportation Research Board and ASCE. Ying holds a Bachelor's in Construction Management from Tongji University and a PhD in Civil Engineering from the University of Kentucky.
Mr.	Tony	McGaha	KYTC	tony.mcgaha@ky.gov	Graduated from UK in 99. Started as Franklin Co Resident Engineer in District 5 in 2000. Transferred to District 7 in 2008 to become Lexington Section Supervisor. Became branch manger of D7 PD&P Branch I in 2014

Title	First Name	Last Name	Agency	Email	Bio
Mr.	John	Moore	KYTC - SHE Office	johnw.moore@ky.gov	John Moore began as an engineering scholarship fresh out of high school in Paducah. John received Civil Engineering degrees from the University of Kentucky. In 2003, John began working full-time with KYTC in District 4, Elizabethtown. John worked for 10 years in Project Development in District 4. In 2013, John began working in Frankfort and worked an additional nine years in Project Development as Planning Director and Assistant State Highway Engineer. John currently serves as Deputy State Highway Engineer of Project Delivery and Preservation. John lives in Lawrenceburg with his wife Sarah and two children. In his spare time, John enjoys volunteering with Scout troop and serves as an archery coach.
Dr.	Alex	Mucci	KYTC Central Office Traffic Operations	alex.mucci@ky.gov	Alex Mucci was a recipient of the KYTC engineering scholarship and has worked full-time with KYTC since 2018. Alex attended the University of Kentucky and has been awarded an undergraduate, masters, and doctoral degree. Alex worked as an EIT in the Georgetown section office before taking the supervisor position in the Lexington section office. Alex is now working in the Traffic Safety Branch in Central Office helping to administer the highway safety improvement program.
Mr.	Dylan	Murphy	ATS Construction	dmurphy@atsconstruction.com	Dylan Murphy is a Professional Engineer and Project Manager at ATS Construction, where he has worked for 12 years. He holds a Bachelor of Science in Civil Engineering from the University of Kentucky, graduating in 2013. Dylan has worked on numerous KYTC Projects in his tenure in multiple districts serving in a multitude of roles including Utility Coordinator on 3 major projects in Lexington and Project Manager on several others.
Mr.	Allen	Myers	KYTC Director, Division of Materials	allen.myers@ky.gov	Allen Myers is the Director of the Division of Materials, serving in that role since April of 2011. Prior to his current responsibilities, Allen has served the Kentucky Transportation Cabinet in various asphalt-related capacities since 1988. Previously, he was the Asphalt Branch Manager in the Division of Materials for 14 years. Allen is a University of Kentucky graduate with a Bachelor of Science degree in Civil Engineering. He is a registered professional engineer in Kentucky, residing in Lexington with his wife, daughter, and son.
Ms.	Hala	Nassereddine	University of Kentucky	hala.nassereddine@uky.edu	
Mr.	Zack	Neihof	KYTC - SHE Office	Zachary.Neihof@ky.gov	Mr. Zack Neihof is a transportation engineer with the Kentucky Transportation Cabinet. Zack has over a decade of experience in traffic operations and has worked closely with the Highway Safety Improvement Program and Vision Zero initiative in Louisville, Kentucky. Zack currently serves as KYTC's TSMO Program Lead, where his primary focus is to provide effective and practical solutions to existing infrastructure challenges. He is committed to prioritizing safety and promoting equity for all road users.
Ms.	Tracy	Nowaczyk	KYTC	tracy.nowaczyk@ky.gov	Ms. Tracy Nowaczyk is an Assistant State Highway Engineer for Kentucky Transportation Cabinet. Ms. Nowaczyk currently serves as lead for the Cabinet's implementation of Performance Management. She has over 20 years of experience including roles as a bridge designer, Branch Manager of Pavement Manager, and Director of Maintenance. Ms. Nowaczyk has led efforts to improve the management of pavement and bridges through prioritization, investment strategy, and preservation treatments.

Title	First Name	Last Name	Agency	Email	Bio
Mr.	Joe	Plunk	KYTC District 3	joseph.plunk@ky.gov	Joe Plunk is the Chief District Engineer for District 3. He is a Muhlenberg County native. He was a KYTC scholarship student, graduating from the University of Kentucky with a B.S. in Civil Engineering. He worked in the Design Section in District 2 for nine years and was the Project Development Branch Manager in District 3 for eight years before accepting his current position in 2016.
Mr.	Tim	Preston	KYTC Secretary's Office of Safety	tim.preston@ky.gov	Tim began with KYTC in 2005 as the Work Zone and Construction Safety Coordinator for District 7. He currently works for the Secretary's Office of Safety as a Safety Administrator.
Mr.	Jason	Ragle	Ragle Inc.	jragle@ragleinc.com	
Mr.	Joshua	Rogers	KYTC Director, Division of Maintenance	josh.rogers@ky.gov	Josh graduated from the University of Kentucky in 2003 on the KYTC Civil Engineering Scholarship. He started in the Division of Structural Design and in 2008, Josh transitioned to the Division of Maintenance, where he held various bridge preservation positions with the Bridge Preservation Branch. In 2021, Josh became the Director of Maintenance where he is focusing his efforts on pavement, roadway and bridge operations, as well as various other programs within the division.
Mr.	Kevin	Rust	Lochner	krust@hwlochner.com	Kevin Rust retired in 2021 from KYTC after nearly 30 years of working for KYTC D-6 and Central Office Maintenance. He joined Lochner as a Project Engineer upon his retirement and now serves as Lochner's Construction Services Manager for Kentucky. He also serves as Lochner's Resident Engineer for several projects in Northern Kentucky for KYTC D-6.
Mr.	Tate	Sallee	KYTC Division of Materials	Tate.Sallee@ky.gov	Tate is a 2015 graduate with a Master of Science in Civil Engineering from the University of Kentucky. He began working with KYTC in August of 2015 in the District 5 Materials Office and has been in the Asphalt Mixtures Testing Section since September 2016. While at the Division of Materials and through a collaborative effort between industry, agency, and academia, Tate has helped bring Kentucky to the forefront of pavement performance analyses.
Mr.	Brian	Schroeder	KYTC Division of Maintenance	brian.schroeder@ky.gov	Brian Schroeder graduated from the University of Kentucky with a Bachelor of Science in Civil Engineering. He began his career working with structural consultants. After a brief stint in aviation, he later found his home with the Kentucky Transportation Cabinet Division of Maintenance working on roadway maintenance. Brian has been with KYTC for 12 years, all of it in the Division of Maintenance. Brian lives in Lexington, KY with his wife and their two energetic children.
Mrs.	Corinne	Schurman	KYTC CO Highway Design	corinne.schurman@ky.gov	Corinne has been with the Cabinet for 5 and a half years, all with the Developmental Branch in Central Office. Corinne works hand in hand with KTC for Standard Drawing development. Other duties include critical work with KYTC Digital Project Delivery team and CADD Standards Development and support.

Title	First Name	Last Name	Agency	Email	Bio
Mr	Buan	Smith	Division of Materials	buan.smith@ky.gov	Buan Smith III is a native of Franklin County and has practice as an engineer for over 30 years. Buan is a graduate of the University of Kentucky with a degree in Civil Engineering. He began his career as a Kentucky Transportation Scholarship Student and has practiced in the private sector as a design engineer, local government as a County Engineer and now with the Cabinet’s Division of Materials as the New Products Engineer. Buan is the father of three beautiful daughters and a son, Buan IV, as well as a granddad to three grandsons whom he enjoys spending time with whenever possible or they’re in town. He also enjoys working on the family farm in the evenings and on the weekends. Finally, for you fanboys out there, Buan is a fan of both the Star Trek and Star War franchises which to some is strange combination.
Mr.	Mike	Smith	Division of Maintenance	mikea.smith@ky.gov	Mr. Smith has over 42 years of experience in agricultural and roadside weed control with the last 25 years at the KYTC Division of Maintenance. His primary responsibilities include roadside pollinator conservation, noxious weed control, pesticide applicator training, vegetation management research, and liaison for Districts 5,6,9, and 10. He received a BS in Entomology from UK in 1983. He is Past President of the National Roadside Vegetation Management Association, the Vegetation Management Association of Kentucky, and the Kentucky Invasive Plant Council.
Mr.	Jarrood	Stanley	KYTC - SHE Office	Jarrood.Stanley@ky.gov	Jarrood Stanley began working for KYTC in the summer of 1995 and became full-time in 2000. He has worked in the areas of Construction, Maintenance, Traffic Operations, Highway Safety Improvement, and now Research.
P.E.	Katy	Stewart	Central Office Construction	katy.stewart@ky.gov	Katy currently works in the Central Office Division of Construction and currently serves as the construction liaison for Districts 10 & 12. She began her full-time career at KYTC in 2004. She has served in many roles through the years working in District 7, with a short stint in District 5 before finally landing in the Central Office Division of Construction in early 2013. Katy lives near Lawrenceburg with her husband (Darren), her teenage step son, and two crazy dogs.
Mr	Luke	Turner	KYTC CO Design	samuell.turner@ky.gov	Luke has been with the cabinet for 20 years? Working in maintenance, traffic incident management design.

Title	First Name	Last Name	Agency	Email	Bio
Mr	Mike	Vaughn	Division of Traffic Operations	Mike.Vaughn@ky.gov	Mike Vaughn is a Transportation Engineer Specialist for the Kentucky Transportation Cabinet (KYTC) within the Division of Traffic Operations at the Central Office in Frankfort, KY. In his current role, Mike leads a team of engineers who administer Kentucky’s Highway Safety Improvement Program (HSIP). Previous roles at KYTC include Highway Design Engineer, District 7’s Bridge Engineer, and statewide Value Engineering Coordinator. Mike is one of KYTC’s representatives on the AASHTO Committee on Safety. He is also KYTC’s representative on the Pavement Surface Properties Pool Fund Study where 11 states and FHWA are combining efforts to better understand how pavement surface properties relate to highway safety. Mike is a graduate of the University of Kentucky with a bachelor’s degree in civil engineering. He is a licensed professional engineer in the state of Kentucky. Mike lives in KY’s capitol city of Frankfort with wife Emily and their two boys, Mason and Aaron.
Mr	Steve	Waddle	KTC	steve.waddle@uky.edu	Spent 27 years at KYTC and held the following positions: Bridge Designer, Resident Engineer, Construction Liaison, Director of Construction Procurement, Executive Director of Project Delivery, Executive Director of Project Development, and State Highway Engineer. Apparently couldn't hold a job! Last 9 years as Research Engineer at KTC
