

Road Safety Resources

Road SAFETY CHAMPION Program

The Road Safety Champion Program (RSCP) is a new certificate program for those who work on Kentucky's roadways. Developed by the [National Center for Rural Road Safety](#), RSCP prepares individuals with courses in roadway safety and engineering. Below are the resources referenced in the first module, Introduction to Road Safety.

NATIONAL SAFETY INITIATIVES

- Toward Zero Deaths <https://www.towardzerodeaths.org/>
- Road to Zero <https://www.nsc.org/road-safety/get-involved/road-to-zero>
- Vision Zero Network <https://visionzeronetwork.org/>
- State Highway Safety Plan <https://safety.fhwa.dot.gov/shsp/>
- Proven Safety Countermeasures <https://safety.fhwa.dot.gov/provencountermeasures/>
- Systemic Approach to Safety <http://safety.fhwa.dot.gov/systemic/>

TRAINING & IMPLEMENTATION

- Road Safety Fundamentals <https://rspcb.safety.fhwa.dot.gov/RSF/Unit2.aspx>
- HSIP Implementation Plan Guidance <https://bit.ly/hsipimplementation>
- HSIP Noteworthy Practices https://safety.fhwa.dot.gov/hsip/noteworthy_practices/
- Systemic Training & Technical Assistance <https://bit.ly/SystemicTraining>
- Every Day Counts FoRRRwD <https://bit.ly/edcforrrwd>

KENTUCKY RESOURCES

- Kentucky Safety Circuit Rider Program <https://kyt2.uky.edu/lga/lrsp>
- Kentucky Local Road Safety Plans <https://kyt2.uky.edu/lga/scrp>
- Kentucky Tech Assist <https://kyt2.uky.edu/local-government-assistance/tech-assist>
- Kentucky Road Safety Champion <https://kyt2.uky.edu/training/rscp>
